

GLASSCRAFTERS

VERTICAL TIER SYSTEM

GlassCrafters Vertical Tier System positions one medicine cabinet above another creating a larger vertical cabinet for extra storage and the elegance of a full length mirror. Multiple height cabinets of the same width and depth can be combined either vertically or horizontally to fit the desired design. GlassCrafters will custom cut a full length side mirror kit when ordered.

FLAT MIRROR (FM)

This clean design, suitable for many different bathroom styles, spas and dressing rooms, delivers utility and versatility. These frameless units can be stacked vertically, or ganged horizontally for a specific design streamlining your day-to-day regime. Cabinets can be surface mounted, recessed and semi-recessed for a custom built-in look.

Available Options: Width: 16", 20" & 24" / Height: 24", 30" & 36" / Depth: 4" & 6"

FRAMELESS BEVEL MIRROR (BM)

Offering the same utility and function as the flat series, the 3/4" Bevel series adds a crisp flair to the mirror. Utilizing the strength of 4mm mirror, our mirror experts craft a precise 3/4" beveled edge on the mirror. Personalize your design without sacrificing function. The 3/4" Frameless Bevel offers the same options as the Flat Mirror series.

Available Options: Width: 16", 20" & 24" / Height: 24", 30" & 36" / Depth: 4" & 6"

DECO (DE)

Your personal and grooming supplies are at your fingertips while the refined, retro design is sure to please the most discerning taste. Concealed storage that complements fixtures and accessories is a handsome addition to any home. Polished Chrome and Polished Nickel Plated frames highlight the true beauty of this series. Other popular finishes such as Brushed Nickel, Brushed Bronze and Oil Rubbed Bronze complete the finish options to complement your bath.

Available Options: Width: 20" & 24" / Height: 30" & 36" / Depth: 4" & 6"

SOHO (SO)

The exquisite craftsmanship and customized design of this framed series allow for personal style to shine through. Suitable for Contemporary or Traditional spaces, the Soho series adds depth and dimension to your bathroom or personal space. Polished Chrome and Polished Nickel Plated frames highlight the true beauty of this series. Other popular finishes such as Brushed Nickel, Brushed Bronze and Oil Rubbed Bronze complete the finish options to complement your bath.

Available Options: Width: 20" & 24" / Height: 30" & 36" / Depth: 4" & 6"

TRINITY (TR)

Cool, crisp, clean, serene lines with modern refinement accent your bathroom with timeless style. The Trinity frame is designed with a 1" crisp flat frame, complemented with a precisely placed 1/2" bevel edge. Polished Chrome and Polished Nickel Plated frames highlight the true beauty of this series. Other popular finishes such as Brushed Nickel, Brushed Bronze and Oil Rubbed Bronze complete the finish options to complement your bath.

Available Options: Width: 20" & 24" / Height: 30" & 36" / Depth: 4" & 6"

LEXINGTON (LE)

Behind the enduring visual appeal of this framed series and understated luxury is strength and beauty. With clean lines and brilliant finishes, this frame makes for a stunning presentation. Polished Chrome and Polished Nickel Plated frames highlight the true beauty of this series. Other popular finishes such as Brushed Nickel, Brushed Bronze and Oil Rubbed Bronze complete the finish options to complement your bathroom or spa.

Available Options: Width: 20" & 24" / Height: 30" & 36" / Depth: 4" & 6"

PARK AVE (PA)

Embracing the beauty of the Lexington series frame, four hand-crafted decorative corner finials soften the look of this series. This transitional frame will virtually complement any decorative scheme. The Park Ave comes standard with Flat mirror. An upgrade is available for a 3/4" Bevel mirror. Polished Chrome and Polished Nickel Plated frames highlight the beauty of this series. Oil Rubbed Bronze and Brushed Nickel with Polished Nickel finials complete the finish options to complement your bathroom.

Available Options: Width: 20" & 24" / Height: 30" & 36" / Depth: 4" & 6"

PC - Polished Chrome

PN - Polished Nickel

BN - Brushed Nickel

OR - Oil Rubbed Bronze

TRI-VIEW (Tri)

When versatile functionality and additional storage is needed, GlassCrafters Tri-View series delivers innovative design. Strength, usefulness and design unite to deliver practical cultivated beauty. Frameless front door mirror options include a flat mirror and upgradeable 3/4" beveled door. Cabinets can be surface mounted or recessed for a custom built in look.

Available Options: Width: 36" & 48" / Height: 30" / Depth: 4"
